DEAR TALON MARKS ADVERTISER,

Founded in 1955, Cerritos College is one of the top community colleges in Los Angeles County offering comprehensive, high-quality, affordable education and career training. We are one of the five largest community colleges in Los Angeles County.

We sit on 135 acres located in the City of Norwalk, near the intersection of Interstates 5, 605, and 105, and State Route 91. This makes the campus geographically convenient for students coming from Southeastern Los Angeles County and North Orange County. Our students commute from Artesia, Bellflower, Buena Park, Cerritos, Cypress, Hawaiian Gardens, Lakewood, La Mirada, La Palma, Long Beach, Norwalk, Santa Fe Springs, and beyond. An average of 22,000 students attend annually, and participate in over 180 areas of study and 87 degree and certificate programs.

Cerritos College is a two-year public commuter community college located in southern Los Angeles County.
